Weekly Class News

From the third grade classroom of Mrs. Emberton

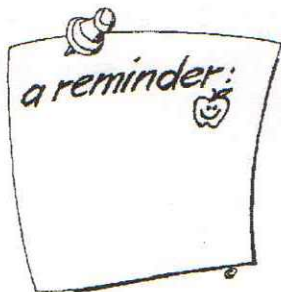

Highlights

So much is going on in our school right now!! We are really trying to help our students the best way we know how, so we have started including Learning Targets and I Can Statements in each classroom. A Learning Target is what we will be learning each week. I Can Statements are statements the student can do with each Learning Target. I have been including Learning Targets in each newsletter. Please ask your children what their Learning Targets are. This will help reinforce their learning so much!! Thank you so much for your support in this! ☺

Next week in Reading class, we will be reading the novel, "Tonight on the Titanic". We will study Historical Fiction, Context Clues, Main Idea and Asking Questions. In Language, we will be writing a Persuasive Letter. For Math, we will continue to work on Multiplication Factors of 6, 7, 8, and 9. Please continue helping your child learn their multiplication facts. The car is a great place to review these! This will help them out in class so much!! ☺ In Social Studies, we will continue our unit on the Anasazi Indians.

If you need to reach me at any time, please feel free to contact the school at 746-0334. You may also reach me through email at Tonya.Emberton@Warren.kyschools.us

Different strokes for different folks. Read different types of books to expose your child to different types of writing. Some kids, especially boys, prefer nonfiction books.
